Cover B (movie poster homage):
Chris Ferguson

In this futuristic dark comedy by Eisner and 'Ringo Award-winning writer Mark Russell, life and death are ruled by social media. One too many dislikes...and you're dead. When Arnold awakes from a coma twenty years into the future, he discovers that government is a thing of the past and society is now entirely ruled by social media. *Literally*. Enough "likes" and "upvotes" can unlock fame and fortune but — *watch your step!* — enough "thumbs down" clicks and the nifty metal collar around your neck explodes — and you're dead. Now, confused and running on his last Like, Arnold must navigate a hazardous obstacle course in which social media cliques provide the only safe refuge, aware that the slightest online misstep can be fatal.

“Terry significantly altered and dominated the landscape of the newspaper comic strip. [Caniff’s] work is notable for its reliance on character instead of plot to dictate the action. The other thing Caniff brought to the comic strip was sex. Terry’s female characters practically oozed sexuality in a way that previous strips had never dared.”

— The Harrisburg Patriot News

TERRY AND THE PIRATES: THE MASTER COLLECTION, VOL. 8—1942: A WORLD AT WAR

Writer/Artist: **Milton Caniff**

The saga continues in *Terry and the Pirates* Volume 8, reproduced from Milton Caniff’s personal set of color syndicate tabloid proofs!

Pat Ryan’s bittersweet reunion with the entire Sandhurst family—including young daughter Merrily—is cut short when they are captured and placed in a Japanese prisoner of war camp. Even worse, human weasel Tony Sandhurst is revealed as an Axis conspirator! Pat revs up an escape for Normandie, Merrily, and himself, but their path to freedom intersects with the Dragon Lady. When the Sandhurst women find themselves on their own behind enemy lines, their privations finally end in the same U.S. Army camp hospital where Terry Lee is recuperating! Terry has happy encounters with nurse Taffy Tucker and aviator Flip Corkin, and a less-pleasant encounter with the conniving redhead known only as Rouge!

This tabloid-sized Volume 8 containing the 1942 dailies and Sundays is an unparalleled upgrade that no *Terry* fan can afford to pass up.

The young prince Damian Wayne was raised to be the heir to the fearsome League of Assassins—to follow in the footsteps of his deadly mother, Talia, and the Demon's Head himself, his grandfather Ra's al Ghul. But everything changed when his father, the Batman, reclaimed him and brought him back to Gotham City. As Robin, young Damian suddenly

discovered he was merely one of a number of princes, preceded in the role by his “brothers” Nightwing, Red Hood, and Red Robin...and Damian doesn't care to be *merely* anything. But when his father is forced to leave the city on urgent business, and a rash of abductions is accompanied by whispers of a demon stalking Gotham's dark alleys, Damian will find himself battling alongside his adoptive brothers—and in the process, learning what the mantle of Robin really means!

Visionary writer/artist Juni Ba makes his mark on the timeless story of Batman and Robin, synthesizing the characters' complex history into an accessible and heartrending fairy tale!

The world may know her as Wonder Woman, but once upon a time she was Diana, the young princess of Themyscira. Back then, she struggled to find her place on an island deemed paradise by many, but which was, to her, a prison. Trapped in her role as a royal and shielded from the

harsh realities of Man's World, Diana yearned for adventure, or at least a purpose. So when ancient texts portraying her home's history go missing, she gets both. How far will our hero go to find the texts and the truths they're hiding? Find out in this exciting story that promises to be a classic for years to come!

Collected for the first time, these stories by Eisner Award-winner Jordie Bellaire and rising star Paulina Ganucheau provide an intimate look into Wonder Woman's upbringing and dangerous secrets of her past!

Moomin Adventures: Book One

TOVE JANSSON & LARS JANSSON

***The classic comic strip by Tove Jansson
and Lars Jansson in a new paperback series***

Presented in an all new softcover format that collects the all ages comics of both Tove Jansson and Lars Jansson, the five-volume *Moomin Adventures* series will introduce the timeless comic strip to a new generation of readers of all ages. The strip's gentle humor and subtle yet sharp musings on life relay an utterly human existence through the lives of Moomin, Moominmamma, Moominpappa, Snufkin, Little My, Snork Maiden and more.

Moomin Adventures: Book One kicks off with perhaps the most famous adventure of them all, Moomin on the Riviera, which was adapted into an animated feature and debuted at the London Film Festival. In Moomin's Desert Island, the entire Moomin family is stranded on a desert island—the very island their ancestors came from. The Moominvalley hijinx continued with a charming mix of strips from Finland's most famous writer/artist Tove Jansson, and her brother Lars Jansson who taught himself how to draw in order to take over the strip when it was in syndication.

When D+Q debuted the Moomin comic strip in 2007, it was the first time that the comic strip had been published in english since its original appearance in the London Evening News. The series has gone on to sell 400,000 volumes.

Second Hand Love

YAMADA MURASAKI

In the end, we're all the same...we just want to be smothered like babies against another human's beating heart

Through a cracked door, heartsick Emi hears a playful growl. Cautiously, she lets her lover in—a wolf of a man wielding a bouquet of roses. *His shoulders must have been four inches wider than mine. As I stood behind him, I fantasized about the broadness of his chest and the thickness of his neck...and about becoming his mistress once again.*

And so their story goes. For a young woman interested in love without the hassle of a traditional relationship, an affair with someone else's spoiled husband is just what she ordered—until it's time to move on.

Then there's Yuko: with even less time for married men's shenanigans, she turns her attention to her aging father and the guilt of adultery that has gnawed at his heart for years. Her mother is long dead, yet her memory is enshrined for eternity in their—both father's and daughter's—mirrored indiscretions.

Drawn soon after the critically-acclaimed *Talk to My Back*, the two stories in *Second Hand Love* mark the triumphant return of Yamada Murasaki, one of literary manga's most respected feminist voices. Translated by noted historian Ryan Holmberg, this edition includes an interview with the artist from the height of her career in 1985, where her wit and wisdom are on shimmering display.

Shortcomings

ADRIAN TOMINE

The annotated and expanded screenplay adaptation of the landmark graphic novel

Ben and Miko's relationship is in trouble. He's a struggling filmmaker, she works for a local film festival, and in various ways, they're both searching for something else. When he's not managing a derelict movie theater, Ben spends his time obsessing over unavailable blonde women, watching Criterion Collection DVDs, and eating in diners with his best friend Alice, a grad student with a serial dating habit. When Miko moves to New York for an internship, Ben begins to explore what he thinks he wants, throwing himself headfirst into new relationships, unfamiliar surroundings, and uncharted emotional territory. Equal parts comedy and drama, *Shortcomings* explores the complexities of culture, desire, and Asian American identity with a critical eye and unsparing, irreverent wit.

Based on Adrian Tomine's groundbreaking graphic novel of the same name, *Shortcomings* was written by Tomine and directed by Randall Park. It premiered at the Sundance Film Festival and was an official selection at the Tribeca Festival in advance of a theatrical release from Sony Picture Classics.

Tomine's screenplay is presented here with extensive annotations, commentary, and bonuses, including alternate and deleted scenes, a selection of color film stills, an introduction from Randall Park, and an exclusive new comic from Tomine. An essential companion to the original graphic novel, this volume is an illuminating document of an iconic story's adaptation from page to screen.

ONE FOR SORROW #1

JAMIE MCKELVIE IS BACK WITH HIS FIRST SOLO CREATOR-OWNED PROJECT IN OVER A DECADE!

London, 1900. The capital hums with the energy of the new era, but something darker lurks beneath the surface. A monstrous figure stalks the city's criminal underworld at night, leaving a trail of bloody corpses in its wake. Rumors about the mysterious killer spread like wildfire. It's a demon. A phantom. An angel of vengeance.

Nothing can kill it. Nothing can stop it. And once it picks a new target, well, he better have a coffin picked out, because he's already dead.

The only clue that a baffled police force has to work with is the black and white feather left on each corpse, leading the press to dub the killer The Magpie. Is The Magpie killing at random, or is there a pattern that no one else can see? Three individuals, strangers to each other, might together have the answer.

The artistic mastermind behind THE WICKED + THE DIVINE, CAPTAIN CARTER, and CATWOMAN: ONE BAD DAY is back with a new comic unlike anything he's created before. ONE FOR SORROW is an intensely stylish, supernatural suspense thriller, full of kinetic action, bloody revenge, and ghostly mystery.

THE BLOOD BROTHERS MOTHER #1

BY BRIAN AZZARELLO AND EDUARDO RISSO

NEW SERIES DEBUT FROM THE TEAM BEHIND *100 BULLETS!*

In the old West, three children set off across the wild Texas frontier to rescue their mother—kidnapped by ruthless outlaws who gunned down their preacher father. Throughout their journey, they'll face the harsh elements of an unforgiving landscape, deadly animals hungry for blood, merciless bounty hunters and so much more...all in a relentless quest to rescue their family.

They'll learn the terrible cost of revenge—not just in lives, but in how it stains a soul. While revenge may be satisfying in the moment, it leaves a yearning behind that lasts a lifetime. And once you taste it, nothing else is ever so sweet.

In the tradition of *The Searchers* and *Blood Meridian* comes a brutal new western series from the Eisner award-winning team behind *100 BULLETS* and *MOONSHINE!*

WHITE BOAT #2

BY SCOTT SNYDER AND FRANCESCO FRANCAVILLA

The hit series continues! White Boats are the mega-yachts that the super-rich use to traverse the globe—floating islands where your every desire can be fulfilled. And getting invited on board one should be a dream come true...until the crew traps and transports you to a remote island where secret cults have existed for millennia, working on something called “The Human Project.” Does the White Boat ship you to paradise or sink you into hell on earth?

WHITE BOAT reunites **Scott Snyder**, the visionary writer who redefined comic book dread with *Wytches* and introduced Batman into a terrifying, cerebral era with modern *noir* master **Francesco Francavilla** for a white-knuckle descent into Lovecraftian maritime madness!

For fans of *HEREDITARY*, *THE HOST*, *JURASSIC PARK*, and *THE ISLAND OF DR. MOREAU*

THE ATLAS COMICS LIBRARY NO. 3: IN THE DAYS OF THE ROCKETS!

By Hank Chapman, Joe Maneely,
Mike Sekowsky, et al.

ISBN 978-1-68396-952-5
\$49.99 / HC / 336 pgs / FC / 8.75" x 11.6"

In 1951, in the vein of Buck Rogers and Flash Gordon, Atlas Comics launched their own pulp hero set in the futuristic year 2000, Captain Jet Dixon. Then, in 1953, Hank Chapman and Joe Maneely gazed further into the future (2075), envisioning the adventures of *Speed Carter, Spaceman*. Unseen in 70 years, scanned in high resolution, restored to perfection, and packaged as one extra-sized, beautiful hardcover volume, *In the Days of the Rockets* will open a worm-hole to the early Cold War four-color era of futuristic science fantasy.

DELIGHTS: A STORY OF HIERONYMUS BOSCH

By Guy Colwell

ISBN 978-1-68396-952-5
\$29.99 / HC / 168 pgs / BW / 8" x 10.75"

In his first full graphic novel in over 30 years, Guy Colwell explores the story behind Hieronymus Bosch and his most famous work in sequential panels. In Colwell's version, Bosch is an artist paid to paint a vision of the world before the fall, but will the religious leaders see it as celebrating God's creation, or fatally corrupted by sensuality? This imaginatively conceived graphic biography is Colwell's crowning achievement in a cartooning career begun in the underground comix of the 1970s and marked by risk-taking and political engagement.

Edited by Austin English and Kristy Valenti

UPC 615200816063
\$11.99 / SC / 64 pgs / FC / 6.625" x 10.5"

Original cover by Max Huffman, lauded as one of 2022's Best Cartoonists for *Hypermutt!* In this supplement to *The Comics Journal* magazine (free for subscribers), critics and cartoonists highlight the most innovative, risky, and unapologetically artistic English-language comics work of 2023. Interviews, essays and excerpts make this an essential guide for what is happening in comics right now. Contributors include Rina Ayuyang, Caroline Cash, Chris Cajero Cilla, Tony Wei Ling, Tegan O'Neil, Sally Madden, Joe McCulloch and Tucker Stone.

MARK TWAIN'S WAR PRAYER

Illustrated by Seymour Chwast

ISBN 978-1-68396-959-4
\$22.99 / HC / 104 pgs / FC / 7" x 9"

Written in 1910 in his 70th year, Mark Twain, having lived through 14 wars waged just by his own country on others, declined to publish this poetic despairing reproof against patriotism. His regular illustrator Daniel Beard even urged Twain to issue the piece, to which the author replied, "No, I have told the whole truth in that, and only dead men can tell the truth in this world. It can be published after I am dead." It took 13 years after his passing for that prophecy to be fulfilled — and now, another 102 years later, the legendary illustrator and graphic designer Seymour Chwast (himself 92 years young) has fulfilled Beard's dream of enriching the fable with illustration.

ALL MY BICYCLES

By Powerpaola

ISBN 978-1-68396-950-1
\$19.99 / SC / 120 pgs / FC / 6.7" x 9"

In this nonlinear graphic memoir, Powerpaola uses bicycles she's owned as a vehicle to explore the world, her relationships, her memories — and herself. Powerpaola's memories arrive abruptly and leave just as fast, creating a pathway through herself she can only find in moving forward. *All My Bicycles* is a glimpse into how exploring these fleeting tangible moments — of physical objects, of traveling and seeing a new city, of even the end of a relationship — is an exploration of self.

A DOORWAY TO JOE: THE ART OF JOE COLEMAN

Foreword by Mike McGee with an Introduction by Tom Waits

ISBN 978-1-68396-870-2
\$99.99 / HC / 450 pgs / FC / 9.7" x 12"

A complete monograph of the unique and subversive artist Joe Coleman, the "walking ghost of old America." *A Doorway to Joe* collects over 150 paintings and comprehensively illustrated sections and essays about Coleman's fine art, comics art, music career (as front man of the '70s punk band, the Steel Tips), performance art, and the artist's "Odditorium," a private museum where sideshow objects, wax figures, crime artifacts and works of religious devotion live together to form a dark mirror that reflects the alternative side of the American psyche. Featuring a foreword by museum director Mike McGee, an introduction by musician Tom Waits, and essays by art critics, curators, and impresarios.

PETAR & LIZA

By Miroslav Sekulic-Struja

ISBN 978-1-68396-964-8

\$39.99 / HC / 176 pgs / FC / 9" x 12.5"

In this graphic novel, a poet and a dancer form a connection in a bleak world. When Petar returns to civilian life after a stint in the ex-Yugoslavian army, he finds himself adrift. But an encounter with a dancer brings a flood of color into his gray life. A heartfelt character study, this graphic novel paints the portrait of a complex protagonist often at odds with himself. *Petar & Liza* is a work that reflects Miroslav Sekulic-Struja's vivid artistic vision in dazzling gouache, bringing to life dive bars, back rooms, and crowded cityscapes. He paints a world of darkness in which rays of sunshine occasionally peek through.

"Unpredictable and as strange as life itself, every single picture in Miroslav Sekulic-Struja's *Petar & Liza* is an exquisite, beautiful painting — all of which, amazingly, add up to an exquisite, beautiful, emotionally moving and poetically written portrait of an artist, a love story and, finally, a whole generation. I was stunned by it. His work, and this book, feel like a miracle to me."

THE LOST WORLDS OF GEORGE METZGER

By George Metzger

ISBN 978-1-68396-982-2

\$50.00 / SC / 320 pgs / Partial color / 8" x 11"

George Metzger's comics stand out for their captivating combination of high fantasy and science fiction, his prescient views of climate change and political chicanery — and, just when you need it, the right touch of whimsy and imaginative insight. Explore a feudal landscape in steam-powered vehicles, soar the skies in anachronistic airships and hitchhike back to nature with the hippies. It's all here in this long-awaited anthology of

George Metzger's most iconic (and idiosyncratic) comics creations — including two never-before-seen stories rediscovered after missing for decades!

MINISERIES PREMIERE

Eisner Award-winning writer **SKOTTIE YOUNG** and Eisner Award-nominated artist **JORGE CORONA**, the team behind the hit series **MIDDLEWEST** and **THE ME YOU LOVE IN THE DARK**, are back together with an all-new miniseries, **AIN'T NO GRAVE!** This *Unforgiven*-style journey is an original macabre Western/fantasy tale for mature readers, told through a **Guillermo Del Toro**-esque lens.

Ryder put her violent past behind her when she fell in love and became a mother. But that was before she learned it was all going to be taken away. Now she'll have to pick up her guns once again and ride to kill the one who's behind the threat. Which just happens to be Death.

The genre-bending adventure begins in this **DOUBLE-LENGTH FIRST ISSUE**, with **forty pages of story and no ads!**

THE SINGULARITY OGN TP

How much loss can one soul endure?

Blue Eyes can't stop being reborn. He tumbles from life to life, from one unthinkably strange universe to the next—the only constant that, one way or another, everything that he learns to love is lost. But when Blue Eyes finally catches up to a mysterious figure he's seen recurring throughout his lives, he realizes he might just have a chance to escape his cursed immortality—or, at very least, exact revenge for it.

Inspired by, and a companion to, Emmy and BAFTA Award-winning composer **BEAR McCREARY**'s first-ever original concept album of the same name, **THE SINGULARITY** sees a cavalcade of comics' greatest artists join with writer **MAT GROOM** (**INFERNO GIRL RED**) to tell a sweeping, cosmic story about the lessons that loss can teach us.

SZYMON KUDRAŃSKI

Living an isolated life in a shadowed valley surrounded by mountains and a thick forest, a father and son are terrorized by a dangerous supernatural presence. Only the father's dark secrets can save them...or damn their souls for all eternity!

Being a single father can be tough, but for Ezra Connolly, it's a duty he doesn't take lightly. Living off-grid, away from prying eyes, in the heart of forest country, he spends his days teaching his teenage son Wil survival skills. But Wil has questions, questions Ezra fears to answer—about his past, and about why they never leave the valley before sundown. From the creator of the breakout hit series **SOMETHING EPIC** and the artist of **SPAWN** and *Punisher*, **SZYMON KUDRAŃSKI** serves us a story about survival, sacrifice, and hope.

A HAUNTED GIRL TP

The fate of all life on Earth depends on a girl who doesn't know if she wants to live

Cleo, a 16-year-old adopted Japanese-American whose anxiety and depression drive her to suicidal thoughts, is fresh out of the hospital and trying unsuccessfully to reintegrate back into her old life. What she doesn't know is that her real struggles are just beginning, as she finds herself encountering an increasingly terrifying succession of ghosts. Is she losing her grip on reality...or is the explanation much, much worse?

A HAUNTED GIRL is a horror story that explores the real-life terror that comes with the struggles of anxiety and depression. Courtesy of writers **ETHAN SACKS** (*Old Man Hawkeye, Star Wars: Bounty Hunters*) and his daughter **NAOMI SACKS** and artist **MARCO LORENZANA** (*Hulk*), this gripping saga aims to be both a paranormal thriller and an inspiration to those who are battling their own—less literal—demons in real life.

THE TRANSFORMERS JOIN THE ENERGON UNIVERSE!

Optimus Prime was supposed to have led the Autobots to victory. Instead, the fate of Cybertron is unknown, and his allies have crash-landed far from home, alongside their enemies—the Decepticons.

As these titanic forces renew their war on Earth, one thing is immediately clear: the planet will never be the same. New alliances are struck. Battle lines are redrawn. And humanity's only hope of survival is Optimus Prime.

Superstar creator **DANIEL WARREN JOHNSON** (*DO A POWERBOMB!*, *Wonder Woman: Dead Earth*), alongside showrunner **ROBERT KIRKMAN** (*THE WALKING DEAD*, *INVINCIBLE*), reimagines Hasbro's robots in disguise for a brand-new generation.

ATTABOY – ORIGINAL GRAPHIC NOVEL

TIME TO LEVEL UP!

AUTHOR/ARTIST: TONY MCMILLEN

"There's a video game from when I was a kid that no one else seems to remember."

Attaboy is an action-adventure comic disguised as an illustrated instructional booklet for a video game. The "byte"-sized hero is forced to avenge the destruction of his father and creator, Dr. Atta, by the sinister rebellious mechazoid Motherboard. However, the turn of each page unravels a much deeper story of pixelated thoughts, real world references, and heartbreaking truths.

"Delving into the long-established but largely under-explored connection between comic book narrative (particularly the one-time dominant superhero subgenre) and video games, ***Attaboy* dazzles with an unrelenting hypnotic rhythm and punk rawk visuals!**"

ATTABOY — INTERIOR ART PREVIEW

GAME OVER. ...CONTINUE?

AN INTERVIEW WITH CREATOR TONY MCMILLEN

Attaboy has a very distinct look and feel to it. Can you break it down for us?

I say it's like a slightly psychedelic but sneakily heartbreaking action adventure. It is presented in the form of a video game manual, with a narrator talking directly to the reader about the game within the story as if this was a non-fiction work, but then it pivots to being more autobio with the narrator bringing up their childhood.

What influenced this unique graphic novel?

I've been thinking of the lost art of the video game manual for a long time. I developed the idea of a little robot boy character akin to Mega Man, or Astro Boy, and eventually paired the character Attaboy with the video game manual framing device. But what really got the project off the ground was the realization I could use all of this elaborate decoration to tell a really personal story.

What is your personal connection to this story?

The unnamed narrator guiding us through the book is on a journey of rediscovery in trying to figure out the mystery of the *Attaboy* video game from their childhood and why no one else seems to remember it. Throughout the book, the narrator starts dropping hints about their situation growing up and how the game helped them cope in their broken home. It's all directly from my life, and the feelings that the character Attaboy experiences all mirror many of the feelings I've had over the years.

Lastly, who is *Attaboy* made for and what do you hope readers take with them after reading it?

It's for anyone who grew up on old video games or comics. I hope the readers experience thrills, curiosity, heartbreak, nostalgia, hope, and joy!

Doctor Jakob Eyes is nearing the completion of his great work... but one last piece remains.

Fortunately, beyond the walls of the City King's domain, young Eloise McCallister has been writing to the Grand Hospital for over a year. Her mother has a terrible sickness in her mind—a sickness Doctor Eyes believes he can harness to finally conquer death. Eloise has only one condition: he has to teach her how he achieves his magic.

FROM THE MUTATED MIND OF EISNER AWARD-WINNING CARTOONIST DEREK CHARM (JUGHEAD, THE UNBEATABLE SQUIRREL GIRL) COMES A MONSTER-SIZED 48-PAGE NIGHTMARE BEACH PARTY THAT WILL KEEP YOU UP ALL NIGHT . . . IF YOU CAN LIVE LONG ENOUGH TO TELL THE TALE!

Best friends Ben and Leo had the perfect summer planned after high school graduation. As lifeguards in the idyllic beach town of Port Dorian, they were planning for three months of hot guys, late-night bonfires, and no regrets . . . until a toxic spill of unknown properties on the beach transformed their dream summer into a waking nightmare. Now Port Dorian is flooded with panicked tourists, and a horrifying pack of subhuman monstrosities is snatching beachgoers in the night.

Mix one part *Riverdale* with one part *Creature from the Black Lagoon*, and drink it down fast because this bi-monthly horror shocker comes packed with enough acidic sludge, perverted beach maniacs, and ill will to ruin anyone's first summer away from home!

When recent college grad Ben lands a job at a restaurant, he soon finds that his favorite dish is spicy sous-chef Liam . . . Now that college is over, English graduate Ben Cook is on the job hunt looking for something—anything—related to his passion for reading and writing, but the job hunt isn't going great. When he stumbles upon a "Now Hiring, No Experience Necessary" sign outside a restaurant, he jumps at the chance to land his first job. But when Ben begins developing a crush on Liam, one of the other super-dreamy chefs at the restaurant, and starts ditching his old college friends and his writing job plans, his future becomes much less clear. Will he follow his writing dreams or will he see what cooks up between him and Liam? Watch things start to really heat up in the kitchen in this queer new adult graphic novel.

In the dry and dead future that's coming soon, all life belongs to Oppenheimer-obsessed billionaire Harvard Denny and his corporate scavengers from Smile, Inc., who pillage the wastelands in search of atomic contraband.

But when a hyper-advanced vessel of possibly alien origin crash lands on the outer edge of Denny's empire of neon-lit ruins, will it bring promise or poison to a distorted world?

As the race to acquire the ship's cargo begins, our fate will be decided by a masked bandit and the cold iron of his laser rifle. He knows no name, no home, no surrender—only the whispered hush of those in need who dare call him . . . THE MAN FROM MAYBE!

Give yourself over to an upside-down world where all mutants eat lead and all dinosaurs speak truth in the post apocalyptic epic of Western-infused action from rising star Jordan Thomas (*Weird Work*, *XINO*) and psychedelic warlord Shaky Kane (*Bulletproof Coffin*, *The Beef*)!

The Jellyfish

by Boum

"Not only is *The Jellyfish* one of the most beautiful graphic novels I've ever read, it goes straight for the heart and doesn't let up. Boum is a master of her craft... *The Jellyfish* is exquisite."

—Kate Leth, author of *Patsy Walker, A.K.A. Hellcat!* and *Mall Goth*

Odette is a hip, young twenty-something with their own place, a steady job at a local bookstore, an adorable pet rabbit, and a burgeoning crush on a cute girl in the neighborhood. But Odette is haunted by something only they can see... A jellyfish. A jellyfish that floats in their eye, blocking their vision. It's a seemingly minor annoyance... Until one day there are TWO jellyfish.

Showcasing stunning and inventive artwork by Boum (*Boumeries*), *The Jellyfish* is a tour-de-force of graphic storytelling, a powerful, occasionally terrifying story of facing the thing that we fear the most, and finding a light to guide us through the darkness.

Scout Legacy editions bring back some of our most prolific issue number ones back in print! This alternate reality version of Stabbity Bunny takes place nowhere near the world of the regular series. This is for those who crave unbridled mayhem and long to see the ultimate bunny fury unleashed! Stabbity takes on the fairyland inhabitants who stand in his way as he fights to rescue Grace from an evil sorcerer. No profanity. No sexual situations. It's a mixture of humor and extreme cartoony violence for the fans that need more Stabbity goodness in their lives. Brought to life by the talents of Richard Rivera and Ryan Kincaid. Be sure to get in on the ground floor of this epic offering!

CHISPA: The Thirteen Origins is a series of one-shot origin stories for the members of The Thirteen, a group of Mexicans and Mexican Americans who discover they are chispas, able to wield impossible powers. Cal Casas has a lot of problems—they're unhoused, for one, and they can't get a specific jerk at work to gender them correctly, for two—but they've got things under control, for the most part. They don't need anything more than a tent and their temp construction jobs, drifting from place to place because they know they're not smart enough for much else. One thing they definitely don't need is to get chispa abilities to form structures out of inorganic matter on their 18th birthday. Or, maybe Cal does need

This beautifully designed hangable package (measures 8.5 x 12.75) includes all three issues (bagged and boarded) of the hit Scout series, THE WEST MOON CHRONICLE! A hint of SUPERNATURAL mixed Korean mythology! The elusive creatures of mud and blood known as the dokkaebi live just off of Route 4 in east Texas, in the ancient pine forest known as the Tanglechase. Joon-Ho, a Korean immigrant with a shadowy past, and his estranged grandson Jae-Sun are the only people in the nearby town of Vane who know the true nature of the dokkaebi. Together, they must figure out what's causing the creatures to turn hostile. Perhaps it has something to do with the interdimensional portal at the heart of the Tanglechase, for it is from here that the past comes knocking, demanding a reckoning from both men.

MY BODY UNSPOOLING

by Leo Fox

One-Shot
Mature Readers

A minicomic by the author of *Prokaryote Season* and *Boy Island*, **My Body Unspooling** explores the push and pull between body and mind, and what ties them together.

"My name is Lucille, and me and my body have broken up."

Lucille and his body are constantly at odds. Lucille is too cold and too resentful for his body, and his body is too warm and too loud for Lucille. It's time to ask God for a divorce.
