30 years ago, one of the DCU's brightest heroes fell from grace, driven over the edge by his failure to save Coast City and millions of people. After that, he almost succeeded in refashioning the entire timeline and resetting reality to restore his home in the ZERO HOUR event. Luckily, the heroes prevailed and destroyed this villain and timeline for good...or so we thought. Green Lantern Kyle Rayner is about to discover Hal and his vision have survived, and they're willing to do whatever it takes to make sure their world prevails!

Writers Dan Jurgens and Ron Marz return to the world of Zero Hour with an art team comprised of all-star DC talent to celebrate this landmark anniversary.
